Capuchin Outreach to the Poor (Parkdale) was founded in 1987 by the Capuchin Franciscan Friars of Central Canada with the vision of creating a faith community with the poor by providing direct services that seek to enhance the sense of human dignity of those who are in need.

St Francis Table, the primary expression of Capuchin Outreach, serves meals six days a week in Toronto's Parkdale community. Patrons are asked to make a \$1 donation towards their three course meal which is provided with full restaurant service.

St Clare Centre is our Outreach and Drop-In space, hosting weekly AA meetings as well as an informal drop-in for patrons of St Francis Table.

We receive no government or United Way funding, instead relying on the charity of private individuals and businesses for our income.

*Capuchin Outreach to the Poor (Parkdale) is a registered charitable organization

From
Bro. John's Desk...

A new season of change and life continues among those changes. We welcome Peter Ferguson a student from George Brown College who has joined us until April. We bid goodbye to Sr. Moreblessing and welcomed Capuchin candidates Christopher Udovic and Matheos Kidanemariam who both minister here. The life and spirit of St. Francis remains constant even through changes, with your continued support.

You are the anchor of charity that creates that constant! Your generosity is an ongoing blessing as we work together to feed the poor and save lives! Seasons change and promise to burst forth with colour and new life that dissipates the long dark days of winter.

I find a parallel in the faces of our patrons who deeply appreciate the bursting forth of your charity, securing for them the stability and hope that they rely upon for their well being.

In appreciation for ALL you do, I wish each of you a Blessed Easter!
